

The PSYCH-K®  
Health and Wellbeing Program  
Reaching  
New Heights  
Through Optimal Health

## PSYCH-K® Health & Wellbeing Program

### PROGRAM GOALS:

1. 'Re-member' our original Divine, perfect, healthy state and stay aligned with it.
2. Think in fresh, creative, unconventional ways to perceive and approach health situations very differently.
3. Manage health situations from beginning to end, putting intention and attention on a state of well-being.

After the workshop, you may elect to be listed on the PSYCH-K website as a PSYCH-K Health and Wellbeing Preferred Facilitator, and thus receive requests for sessions from people the world over.

### Registration:

## YOUR LEARNING WILL INCLUDE:

### The Optimal Health Balance

#### *PSYCH-K's Long and Healthy Life Elixir*

Internalize attitudes and perceptions that support optimal health by using belief statements developed from psychoneuroimmunology research in conjunction with the Core Belief Balance Structure and a detailed action plan. Join the healthier and happier people in the world!

### Alternate Life Bonding Balance

Create a completely different reality about an illness/dis-ease and life related to it.

### Trauma

Discover new ways of thinking about the meaning of traumas. Past, Present or Future.

### Secondary Gains

Learn to investigate and uncover why people stay sick in spite of treatment, and how to help them in a powerful and simple way.

### Messages

Develop a method for identifying and ascertaining what a physical condition may be telling us?

### How to Use Intention in a Balance

Adopt this simple and incredibly effective way to balance to manage health situations (and any other area of your life)

### Four Levels of Reality

Understand connections of the Four Levels related to our perceptions of health. Become whole-brained with these Four Levels and recognize them in our partners.

### First Aid

Complement and assist immediate medical care with new beliefs.

### Prevention

Clarify how to use beliefs to stay healthy.

### VAK to the Future for Health Solutions

Identify and create specific balances according to what works for the partner.

## Meet Duccio Locati!

### Your Instructor:

Dr. Duccio Locati is a doctor of Osteopathy living in Switzerland. He has always been interested in the connection between mind and body and our capacity for self-healing.

Dr. Locati learned PSYCH-K in February 2007 and became a certified instructor in May 2009. He has worked closely with Rob Williams, PSYCH-K Originator, to create this renewed, re-invented, and re-purposed iteration of the Health & Wellbeing Program. As a participant, you could not possibly be in better hands!
