RAPPORT

You will learn how to create a deep sense of trust and safety with others, making the facilitation of change easier and more comfortable than ever before. You will use powerful process to create a whole-brained state when communicating with others, both verbally and non-verbally.

BELIEF POINTS

You will learn 12 points on the body that are derived from ancient acupressure. They represent key beliefs that give us valuable information about how we are limiting ourselves. When these points are combined with Energy Focusing, these subconscious beliefs can be accessed and changed in a matter of seconds.

ENERGY FOCUSING

A safe and effective process that allows you to *focus energy* to a Belief Point in order to change subconscious beliefs quickly and easily.

SURROGATION

A process using a *surrogate* (substitute person) to effect change at a distance with someone not physically present. This approach can be used to expand your sphere of influence including other people, as well as pets.

CORE BELIEF BALANCE

This balance aligns 13 *Core Beliefs* that support the manifestation of your full potential in life. It is frequently a profound alignment process that prepares the mind/body system for accelerated growth and change.

RELATIONSHIP BALANCE

This balance will help you transform personal issues with others, and better understand the lessons to be learned in relationships. It will provide a clearer perspective on the value of relationships between parents and children, siblings, coworkers, spouses, friends and lovers.

LIFE BONDING BALANCE

The *trauma of birth* and the *fear of death* are two powerful aspects of human life. This balance utilizes breath as a means of re-programming any negative impact of these influences in our lives. By directing the breath back and forth between two power points in the body, you learn to release stress associated with these experiences and free yourself to experience the fullness and joy of life.

ENERGY CIRCLE

An extraordinary experience utilizing group energy focusing. This is a wonderful opportunity for you to experience the powerful effects of concentrated unconditional love!
