

PER-K® CATALYST ONLINE PROGRAM FOR PSYCH-K® FACILITATORS INTENTION & AGENDA

FOR PSYCH-K® Facilitators or PER-K® Catalysts who:

- have a corporate or business background; entrepreneur, business owner, manager, team leader, coach, consultant
- are comfortable and competent facilitating PSYCH-K®/PER-K sessions
- attended the Master Facilitation Workshop and / or the Advanced Workshop

OVERALL GOAL OF PROGRAM:

This Program has the intention to:

- Help you find ways to apply what you already know from the PSYCH-K® Basic workshop, in order to Activate Possibilities, Energy & Resources as the Key for Sustainable Success
- Support members of an organization to align and transform what is needed for the organization to become the best it can be
- Become a PER-K® Catalyst for change and evolution within business organizations by applying the PER-K® processes with individual and with teams
- Revise your beliefs / perceptions about your own business as well as business in general (clients, products, marketing, etc.)
- Create a transformational leap in your own business

This Program will:

- Not train you as a coach or as a consultant
- Not train you on the necessary marketing skills to contact clients
- Not teach any new Balances
- Not teach you how to run a business

DYNAMIC OF THE ONLINE PROGRAM

- We will meet via Zoom for 4 hours a day for 4 days
- Plan to attend all 4 sessions live

The program includes preparation for modules, group discussions, breakout time for Balances, and expanded activities in-between sessions.

PROGRAM FOCUS

- Review understanding of PSYCH-K® processes
- Explore the foundations of PER-K® Essentials for Success
- Facilitate online session using Surrogation
- Identify and transform sources of perceived stress in business day to day
- Identify and transform limiting beliefs and perceptions related to all areas of a business

- Discuss opportunities and potential barriers for offering PER-K® in an organization
- The Principles of Nature – Original Instructions for Evolution of Business
- Applying PER-K® with organization's Purpose, Mission, Vision, & Values
- Discussion and demonstration of Clarification for the Subconscious Mind within a group setting
- Facilitate online session within triad with Catalyst, Partner and Observer
- Review example PPT presentation to introduce PER-K® Catalyst to an organization
- Client Connection
 - Definition of niche
 - Access ideas to niche
 - Messaging to niche
 - Awareness of our own beliefs and perceptions
 - Value of what we offer / Pricing
 - Perceived connection challenges

PREPARATION FOR PROGRAM

- Complete online Program application
- Be comfortable and confident with self muscle-testing
- Be familiar with the Balances, creating Goal Statements and the flow of a session
- Review and complete the Preparation activities provided after registration
- Prepare a summary of your business: Why I do what I do, What do I do, with whom, and how they benefit
- Prepare Strategic Intent/project idea: This can be to focus with creating greater success with your own business, to complete a project within your organization or client organization, or a professional goal such as writing a book. During the Program, you can choose to have that as your focus for Goal Statements and transformations during the Balancing sessions.
- Reflect on areas of your business where you experience stress or challenges
- Reflect on areas of your business in which (or where) you experience energy and joy

NOTE: Once registration payment is complete and Preparation Document received then there are no refunds. If you can't attend, you can transfer to a different Online Program as agreed to by the PER-K® Instructor.
